

Export Controls & National Security Round Table

We are launching an updated series of quarterly Export Controls & National Security Roundtable meetings, presented as lunch-and-learn sessions and modeled after the success of our past ITAR & EAR Roundtables, initiated as Export Control Reform (ECR) was being implemented back in 2013. This session will provide an opportunity to discuss key developments and emerging topics related to export controls and national security, as well as exchange insights and best practices with colleagues and professionals navigating these complex regulatory requirements. Lunch will be provided.

Location: AmeriCOM Atrium, 78 Schuyler Baldwin Drive, Fairport, NY 14450

Date and time: Thu, Apr 16, 2026 12:00 PM – 1:30 PM
